Appeals Information and Procedure

Should a client wish to appeal against an assessment outcome or the outcome of any other formal complaint or grievance, they should follow the appeal process outlined below:

**Internal Review (Appeal)**

If the complaint process is unable to resolve the grievance and the complainant is not happy they have the ability to lodge an Appeal. The Appeal can be lodged using the ‘Appeal Form’ on the following page. The Appeal will be heard by an Independant Senior Office of Star Training, being the Director, and they will conduct an internal review in the second instance.

Again to reinforce, students or prospective students can be assisted and accompanied by a third party, being a friend or advocate to any relevant meetings with the Director during the Appeals process or at any other meeting deemed relevant.

The person lodging the appeal will be advised in writing by the Director that their appeal has been received; this will be done as soon as possible but not more than 48 hours after receipt. The determination will be fair and equitable, complete and unambiguous with no decision being made until the person making the appeal has had the opportunity to make their case and provide their story. The process and any consideration and determination, will not victimise or discriminate against any student, prospective or otherwise. The person making the appeal will be provided with a written outcome on the internal review including the rationale for the decision. If the person is satisfied with the resolution, agreed actions will be implemented and the complaint or appeal will be closed. If for some reason the RTO requires more than 60 days to address the appeal and conduct the review we will notify the parties involved in writing providing justification.

At this point, the decision and determination made by the Director are final and this will be the position that Star Training Academy takes in relation to the appeal and internal review.

**Stage Three – External Review**

In the third instance if the parties involved are still not happy with the written outcome of the appeal and internal review and the appeal remains unresolved, they have the right to seek an external review. Star Training has an agreement in place with an Independant third party, who will handle the unresolved grievance. The third party understands their role in the process and will make it as easy as possible for staff and students to access their Dispute Resolution service.

Star Training will utilise Mediation Australia at http://www.mediationsydney.net.au/ as our external dispute resolution reviewer. Students simply need to call Mediation Australia by phone and say they are from Star Training Academy and require access to the dispute resolution services.

*Mediation Australia* is located at:

Level 7, 91 Phillip Street, Parramatta NSW  
Phone: 1300 267 267

Any cost associated with the external review will be met by Star Training Academy.

Students also have the opportunity to lodge a complaint about the services provided by Star Training, through the National VET Regulator, ASQA. This can be done by going to [http://www.asqa.gov.au/complaints/complaints.html](http://www.asqa.gov.au/complaints/complaints.html)
