

CPCCWHS1001 Prepare to Work Safely in the Construction Industry - (Whitecard)

COURSE OVERVIEW

- This course provides the Workplace Health and Safety (WHS) outcomes for induction to work safely in the construction industry and specifically on a construction site. This program is suitable for anybody in any industry who needs access to a construction site.
- Unless you complete this national training program and gain the Construction Induction Card, you will find it very difficult to work or gain access to a construction site. The course will suit all construction and trade workers, civil construction workers, delivery drivers, site security officers and those who want to start a career in construction.
- You will gain a broad introduction into how to work safely on site.
- The course is fully accredited nationally recognised training for which you will receive a Statement of Attainment in the national unit of competency, CPCCWHS1001 Prepare to work safely in the construction industry.

COURSE ENTRY REQUIREMENTS

- State and Territory licensing requirements apply to this course. NSW General Induction Training (GIT) cards issued after 1 January 2012 are recognised throughout Australia. SafeWork NSW recognises all Interstate GIT cards, provided they are not suspended, canceled or expired. If you hold an Interstate GIT you do not need to undertake GIT in NSW.
- **100 points of ID** is required to attend the training. You can ask our staff for a **NSW SafeWork Evidence of Identity Sheet** if you are unsure about identity requirements. The ID must be sighted prior to you commencing the program and must be originals. Exemptions apply for secondary school students, Aboriginal and Torres Strait Islanders and new entrants to the country under 6 weeks onshore.
- You must be at least 14 years of age. If under 18, a parent or guardian must sign your enrollment form to accept responsibility.
- You will also be required to pass a Language, Literacy and Numeracy skills assessment on-line, prior to completing enrollment.
- You must wear enclosed footwear at all times while training with us.

DURATION & STRUCTURE

The course is conducted face to face in a classroom based learning environment over one day. You will attend for at least 7 hours from 9am to 4:00pm at either of our campuses in Granville or Liverpool.

You will work in small groups and individually and you will need to complete a series of assessments throughout the course, to be deemed competent. The assessments include, short answer and multiple choice, oral questioning and observation.

Training runs regularly at both our venues: Granville every Monday and Saturday, 0900 to 1600 and Liverpool every Saturday 0900 to 1600.

POTENTIAL JOB ROLES

Potential job roles on completion of this program include:

- o Site Security Officer
- o Site Traffic Control Officer
- o Ability to access and work on construction sites nationwide
- o Ability to deliver goods and services to construction sites
- o Ability to access sites both residential and commercial to conduct inspections, accompany clients and buyers

COURSE UNIT

This course is a single Unit of Competency in CPCWHS1001 Prepare to Work Safely in the Construction Industry, for which you will receive a nationally accredited Statement of Attainment. You will learn about the key dangers and potential hazards working in construction and how to minimise the risk involved.

Topics Covered:

- WHS Legislative requirements
- Duty of Care
- PCBU
- Safe Work Practices
- Common construction hazards
- Hazard identification
- Hazard control and the "hierarchy of controls"
- Safety signs and symbols
- Designated safety positions on site
- Emergency response
- Basic first aid overview
- Fire safety and fire emergency response
- Incident reporting
- Personal Protective Equipment (PPE)
- Health and Safety Representatives
- Work Health and Safety Committees

COURSE FEES

- \$120 tuition fee.
- All learning materials included, no additional costs.
- Cost includes issue of the SafeWork NSW Statement of Training for General Induction which you receive at the end of the days training if deemed competent. Also the competency card which will be posted to you within 30 days by SafeWork NSW. Your Statement of Training is valid for 60 days and this enables you to commence work on site before your card arrives.

Training is conducted at both our training venues:

- GRANVILLE
Suite 27A South Street, Granville NSW 2142 (Above Commonwealth Bank)
- LIVERPOOL
Suite 4/259 Northumberland Street Liverpool NSW 2170
